

Learning through Music and Songs

CAMPOBASSO

10 Dicembre 2018

14:30 – 18:30

SEDE ANILS

Via Facchinetti, 3 c/o MEDIAZIONE LINGUISTICA

Destinatari: docenti della Scuola Primaria e Secondaria di I grado

Music is a powerful tool for instruction for several reasons: it is the only art form that activates all parts of the brain; its cultural appeal transcends language barriers; students are already familiar with a variety of English songs, often knowing the lyrics word for word; and most importantly, singing is fun! Learn how you, no matter your level of musical skill, can use music to manage your classroom, teach vocabulary and grammar, encourage discussion and inspire creative thought.

Objectives

- Attend a course held in English with mother tongue experts
- Discover new theories and strategies for teaching and learning English
- Deepen your knowledge of English
- Provide new ideas for using music and song in your classroom

Key words; music, song, pop, culture, song writing, memory

Duration

4 hours
