Scuola Secondaria I grado "A.Campi"

Via Gioconda 1

Destinatari: docenti della Scuola Secondaria di I/II grado

EDUCO invites you to our workshop: **Using Technology and Digital Media as a Teaching Tool and Learning Aid.** Technology and digital media play an important role in a teenagers life today, so why not take advantage of this and turn technology and digital media into an engaging learning tool?

This workshop aims to inspire teachers to transform their classroom into a relatable space for students.

Objectives

- Attend a course held in English with mother tongue experts
- Provide useful and accessible digital platforms that can become fundamental tools for teaching English
- Demonstrate how the use of technology and digital media promotes learning and inspires creativity
- Highlight that, when used appropriately, digital media improves students' communication skills and helps them interact more maturely and safely in digital spaces

Key words; Kahoot, Facebook, Twitter, Instagram, Blogging, Online Community, Hashtags, Research, Digital Classroom, Google Drive, Social, Online Researching, Online Teaching Resources

Duration

4 hours

Program

14.15-14.30 – Registration

14.30-15.00 – Introductions and exploration of the importance of using digital and social media in the classroom.

15.00-16.00 – Using digital platforms to assist your teaching planning. Test out different digital platforms and see how they can help with your lesson planning and organisation.

16.00-16.15 – Break

16.15-17.30 – Using digital media in the classroom. Learn some practical tasks and games that you can use with your own students including; Histogram, Kahoot and Breaking English News.

17.30-18.00 – Conclusions and feedback

Note: This workshop will be adapted to reflect the age group of your class (either Primaria or Secondaria or Superiore).
