EDUCO presents Ship or Sheep; a pronunciation workshop for English teachers.

The pronunciation of the English Language is one of the biggest constructs Italians struggle with when learning the language. This workshop has been crafted to aid English teachers in improving their own pronunciation of English words and help them spot common errors that their students make. The workshop is also packed with creative ideas for teachers to use in their classrooms to practice pronunciation.

Objectives

- Attend a course held in English with mother tongue experts
- Discover new theories and strategies for teaching and learning English
- Deepen your knowledge of English with specific attention paid to pronunciation
- Provide new ideas for classroom lessons and practical activities to improve your students pronunciation

Key words; pronunciation, phonology, phonemic
